AYE: Haste, Helm, Hudson, Polak, Shrum, Stover

ABSTAIN: None

III. CEO's Report (*for informational purposes only*) – Mr. Polak

a. Legislative update

The Office on Management and Enterprise Services declared a state revenue failure resulting in a 3% cut of \$345,094.32 to the Authority's appropriation. Reserve funds can be used in the current fiscal year to replace the appropriations reduction. Projections show the likelihood of a second mid-year cut to appropriations. While all obligations will be able to be met this year, additional cuts in fiscal year 2017 risk the loss of federal funds.

b. Financial Report

FY 2016 year-to-date financial reports were presented.

IV. Discussion and possible approval of authorization for the CEO to engage consulting services, within established board limits, regarding the preservation of Medicare GME and IME funding under multiple training scenarios – Chairman Hudson

Discussion on the need to identify an expert to evaluate graduate medical education funding to OSUMC. This would help protect our funding sources and possibly find other sources we are unaware of. The CEO has the authority to contract for services with a limit of \$100,000.

Mr. Helm moved for approval. The motion was seconded by Mr. Haste and carried.
The recorded vote was:

AYE: Haste, Helm, Hudson, Polak, Shrum, Stover
NAY: None

V. New Business (Limited to Matters Not Known About and Which Could Not Have Been Reasonably Foreseen Prior to Posting of the Agenda) – Chairman Hudson

Jamie Longacre discussed the legislature and that no extension of Medicaid is likely to happen. There is not any good news with the budget and there are a large number of bills being filed and carried over that are being tracked for impact to the Authority.
