

# RECORD YOUR COMMUNITY ENGAGEMENT BY ADDING IMPACTS

3. Once you select the group, the following screen will be where you fill out the impact details.
  - a. If you select a specific event, some details might automatically be filled in for you.
4. If your impact is for a course assignment/project, **complete the Course Engagement fields.** Any SL courses you are enrolled in will be automatically populated

The screenshot shows a web form titled "Course Engagement". It contains several sections: "Is this impact for course(s)?" with radio buttons for "Yes" (selected) and "No"; "For which course(s)? (select all that applies)\*" with a pink highlighted area containing the text "Please select the courses you want to share with"; "Verification" with a "Select Verifier\*" dropdown menu and a link "Missing from the list? Click here to add contact info."; "Date" with "Start Date" and "End Date" fields, both showing "12/09/2020", and buttons for "+ Time" and "- Date"; and "Impact Type & Measurement" with a "Time" dropdown menu and a "Hours\*" field. A dashed line from the text "complete the Course Engagement fields." in step 4 points to the "For which course(s)?" field.
