

POOL NOODLE SORT

OBJECT OF THE GAME:

Sort all of the pieces on to the correct broomstick!

WHAT YOU'LL NEED:

- 4 colored cones or boxes
- 4 pool noodles, (different colors)
- Marker
- Knife
- 4 Broomsticks

INSTRUCTIONS:

Setup: If using boxes, cut holes in the side of each just big enough to stick a broomstick inside. Then, stick a broomstick inside each cone/box. Using a marker, mark every 2-3 inches on each pool noodle. Then, cut on each line to create circles. Set your broom sticks + cones on one end of the playing space and scatter your circles throughout.

Playing the Game: On "go" players will sort each color as fast as they can by setting the circle on the matching box/broomstick.
