JUMP THE RIVER

OBJECT OF THE GAME:
Jump the river at the widest distance!

WHAT YOU'LL NEED:
- 2 jump ropes
- A medium-sized playing space

INSTRUCTIONS:
Setup: Place two jump ropes on the ground parallel to each other, creating a "river."

Playing the Game: Players will take turns jumping the river. After everyone makes their jump, widen the river. If a player doesn't clear the river, they're out! Continue taking turns and widening the river. The last player left, wins!
