

LEAF SCRAMBLE

OBJECT OF THE GAME:

See how many leaves you can pile up before time runs out!

WHAT YOU'LL NEED:

- Leaves
- 1 timer
- A tarp, garbage can/bag, or basket
- Optional: rake

INSTRUCTIONS:

Setup: Place your tarp on the ground and provide a rake, if desired. Determine an amount of time to set on the timer (recommended: 1-5 min.) Then, challenge players to pile up as many leaves as possible before the timer goes off!

Playing the Game: When the timer begins, players will scoop leaves with their arms (or rake them) onto the tarp as fast as they can. Once the timer is up, they can jump in the pile to celebrate!
