

# RAINBOW RIBBON RUN

## OBJECT OF THE GAME:

Pile up as many ribbons as you can!

## WHAT YOU'LL NEED:

- Different colored ribbons, cut into long pieces
- Bucket, bowl, or basket

## INSTRUCTIONS:

**Setup:** Place your ribbons across your playing area. You might hang them on trees, fence posts, lay them on the ground, etc. Place the buckets near each other on one end of the playing space.

**Playing the Game:** On "go," players will run across the space, grabbing one ribbon at a time and placing it in their bucket. The player with the most ribbons at the end of the game, wins!

**Tip:** Let older players "steal" ribbons in-route to the bucket for added competition!
