

# SNAKE JUMP ROPE

## OBJECT OF THE GAME:

Don't step on the snake!

## WHAT YOU'LL NEED:

- 3 or more players
- 1 jump rope

## INSTRUCTIONS:

**Setup:** Ask 2 players to sit low to the ground, each holding one end of the jump rope between them.

**Playing the Game:** When the game starts, the players holding the rope will move their ends back and forth so that it wiggles on the ground like a snake. Other players will take turns trying to cross the rope without stepping on the "snake." The player to make it across the most times successfully, wins!
