TAPPY FEET

OBJECT OF THE GAME:
Dance in time with the music the longest!

WHAT YOU'LL NEED:
- 9-13 pennies per shoe
- Hard surface (sidewalk, tile, etc.)
- 1 pair of old shoes
- Hot glue gun & glue
- 1 music player

INSTRUCTIONS:
Setup: Attach pennies to the bottom of an old pair of shoes with hot glue to create "tap shoes."

Playing the Game: When the music plays, players are challenged to dance, keeping the sound of their tap shoes in-time with the music. The game's leader may call out additional challenges to keep the game interesting (fast feet, slow motion, dance like an animal, etc.) The player to dance for the longest amount of time on beat with the music wins!
