

GRADUATE COLLEGE
OKLAHOMA STATE UNIVERSITY

ADMISSION TO DOCTORAL CANDIDACY

To be admitted to candidacy, a doctoral student must have (1) an approved Plan of Study on file with the Graduate College, (2) a dissertation proposal approved by the student's graduate advisory committee and, if required, (3) successful completion of comprehensive or qualifying examinations.

A doctoral student (either Ph.D. or Ed.D.) must be admitted to candidacy no less than six months prior to graduation. Once admitted to doctoral candidacy a student will be on reduced continuous enrollment. Reduced continuous enrollment has two elements.

- 1) The candidate must be enrolled in every fall and spring semester until graduation.
- 2) Two graduate credit hours qualifies as full-time enrollment for doctoral candidates.

STUDENT SECTION:

I hereby certify that I have met the requirements on the first page, and I apply for admission to doctoral candidacy. I am aware that, in order to graduate, I must meet the candidacy requirements as stipulated on the first page of this form. I am also aware that if my study requires approval to collect data from human/animal subjects, that I must secure IRB/IACUC approval prior to collecting any data. Data collected without such approval cannot be used in my dissertation. I further understand that I must submit a Graduation Clearance Form with the Graduate College and file a diploma application with the Office of the Registrar by the published deadlines of the semester in which I intend to graduate. Failure to do so may result in a postponement of my graduation.
