Accreditation Information

Conference Objective:

The “2019 Pain Management Symposium” is planned for physicians and clinicians to enhance their knowledge of pain management by covering the historical treatment of pain and current treatment options available.

AMA/AAFP Equivalency

Application for Prescribed credit has been filed with the American Academy of Family Physicians. **This program has been approved for up to 7.0 prescribed credits.**

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 Credit™ toward the AMA Physician’s Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed credit, not as Category 1.

For AAFP Members that complete the online attestation, a roster of participants will be submitted to the AAFP.

OSU Disclosures

Oklahoma State University Center for Health Sciences, College of Osteopathic Medicine in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990, and other federal laws and regulations, does not discriminate on the basis of race, color, national origin, gender, qualified disability, religion, sexual orientation, gender identity, veteran’s status, genetic information, or age in any of its policies, practices, or procedures. This includes but is not limited to admissions, employment, financial aid and educational services.

AOA

The OSU-COM Continuing Medical Education office is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The OSU-COM CME office designates this program for a maximum of **7 AOA Category 1-A credits** and will report CME and specialty credits commensurate with the extent of the physician’s participation in this activity.

For D.O. physicians that complete the online attestation, a roster of participants will be submitted to the AOA.

AOA Specialty Credit: Specialty credit for this program is based on the board certification of the speaker. A roster of specialty credit will be submitted to the AOA. The AOA will apply the specialty credits to those physicians who are board certified and the specialty credits will be listed on a physician’s CME Activity Report.
