Physical Examination

Each student entering OSU College of Osteopathic Medicine is required to have a physical examination completed and recorded on a health form provided by the College prior to matriculation.

Immunizations and Tuberculosis Testing

Entering students are required to provide evidence, prior to matriculation, of immunization for or immunity to tetanus Tdap within the last 10 years, polio, measles, mumps, rubella, varicella, hepatitis A and hepatitis B. If the hepatitis B immunization series has not been completed prior to matriculation, it must be completed during the first year at the student's expense. Proof of coverage must be submitted to the Occupational and Student Health Nurse.
