

**Guaranteed Interview Program**  
**MEMORANDUM OF UNDERSTANDING**  
**OSU Center for Health Sciences –**  
**College of Osteopathic Medicine**

To qualify for the GI Program, a student must meet the following requirements:

- Be a permanent resident of the United States;
- Minimum of a 3.5 grade point average (GPA);
- Score a minimum of a 502 on the Medical College Admission Test (MCAT);
- Provide a letter of recommendation from the NWOSU Pre-Health Advisory Committee (PAC);
- Plan to complete a baccalaureate degree before matriculation to OSU-CHS College of Osteopathic Medicine;
- Submit a complete application for admission through the American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) by February 28;
- Submit a complete supplemental/secondary application for admission by March 30;
- Meet the academic requirements specified in Exhibit A.
- Complete the following courses (lecture and lab co-requisites). Concurrent enrollment in high school or AP credits will be accepted.
- Transfer credits will be accepted from a community college or other four-year institution to NWOSU. At the time of enrollment, the following requirements should be considered to ensure the degree requirements are met:
  - a. Bachelor's degrees will be based on a minimum of 60 hours at NWOSU excluding physical education activity courses and zero level courses.
  - b. 40 hours must be upper division course work excluding physical education activity courses.
  - c. At least 15 of the final 30 hours applied or at least 50% of other hours in the major must be completed at NWOSU.
- To fulfill the Biology requirement at NWOSU, half of the classes must be upper division. However, not all classes must be completed there. To graduate from NWOSU, students must have 120 credit hours and meet the Chemistry minor requirement.

- Students must have at least 500 hours of health-related setting at the time of application;
- The applicant must have a valid CASPer Situational Judgement test score on file before an admission decision is released; and
- Be a first time applicant to apply to the Guaranteed Interview Program.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their supplemental/secondary application to indicate that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-COM to students from NWOSU who meet the listed requirements. This Agreement does not guarantee qualifying students from NWOSU admission to the OSU-COM. Following an in-person interview, the Chair of the Admissions Committee will notify applicants of the Admissions Committee's decision by May 15, 2022.

### ***Exhibit A: Academic Requirements***

To qualify for the Guaranteed Interview Program, Oklahoma State University - Center for Health Sciences (OSU-CHS) and Northwestern Oklahoma State University (NWOSU) agree that applicants must complete the following academic requirements for program consideration:

- ENGL 1113           Composition I
- ENGL 1213           Composition II
- BIOL 3115           Introduction to Microbiology
- BIOL 3184           Human Anatomy
- BIOL 3194           Human Physiology
- BIOL 3343           Genetics
- BIOL 3363           Cellular and Molecular Biology
- BIOL 4323           Immunology
- BIOL/CHEM 4143   Biochemistry
- CHEM 1115           General Chemistry I
- CHEM 1215           General Chemistry II
- CHEM 3114           Organic Chemistry I
- CHEM 4114           Organic Chemistry II
- PHYS 1114           General Physics I
- PHYS 2114           General Physics II

By the time of graduation, the student must meet all other requirements for the undergraduate degree as specified by the applicable Northwestern Oklahoma State University undergraduate catalog.
