

## **Guaranteed Interview Program**

### **OSU Center for Health Sciences – College of Osteopathic Medicine**

To qualify for the GI Program, a student must meet the following requirements:

- Be a permanent resident of the United States;
- Minimum of a 3.5 grade point average (GPA);
- Score a minimum of a 502 on the Medical College Admission Test (MCAT);
- Meet the academic requirements specified in Exhibit A: Academic Requirements;
- Courses are strongly encouraged to be taken at Oklahoma City University except those earned as concurrent enrollment during high school and AP credits;
- Plan to complete a baccalaureate degree before matriculation at OSU-CHS College of Osteopathic Medicine;
- Submit an American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) application by February 28;
- Submit a supplemental/secondary application by March 30;
- Applicants must have at least 500 hours in a health-related setting at the time of application;
- First time applicant to apply to the Guaranteed Interview Program; and
- The applicant must have a valid CASPer Situational Judgement test score on file before an admission decision is released.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their secondary/supplemental application to indicate that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-COM to students from Oklahoma City University who meet the listed requirements. This Agreement does not guarantee qualifying students from Oklahoma City University admission to OSU-COM. Following an in-person interview, the Chair of the Admissions Committee or Director of Admissions will notify applicants of the Admissions Committee's decision.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply as a traditional applicant for admission in a later application cycle. Applicants may apply as a GI applicant during their final year at OCU or within six months following graduation.

### ***Exhibit A: Academic Requirements***

To qualify for the Guaranteed Interview Program, Oklahoma State University Center for Health Sciences (OSU-CHS) and Oklahoma City University (OCU) agree that applicants must complete the following academic requirements in addition to the required pre-requisite coursework prior to matriculation to OSU-COM:

- BIOL 1214                      Fundamentals of Biology with lab
- CHEM 1104/1141            General Chemistry I with lab
- CHEM 1204/1241            General Chemistry II with lab
- CHEM 3103/3141            Organic Chemistry I with lab
- CHEM 3203 /3241            Organic Chemistry II with lab
- PHYS 1503/1541            General Physics I with lab (or PHYS 2104/2141)
- PHYS 1603/1641            General Physics II with lab (or PHYS 2204/2241)
- BIOL/CHEM 3714            Biochemistry I with lab

One additional upper division Biology course (3-5 preferred):

- BIOL/CHEM 4403            Biochemistry II\*
- BIOL 3003                    Genetics\*
- BIOL 4214                    Molecular Biology with lab\*
- BIOL 3514                    Cell Biology with lab
- BIOL 3114                    General Microbiology with lab
- BIOL 2812                    Medical Vocabulary

\*Completion of these three courses strongly recommended before attempting to take the MCAT.
