

Guaranteed Interview Program
MEMORANDUM OF UNDERSTANDING
OSU Center for Health Sciences –
College of Osteopathic Medicine

To qualify for the GI Program, a student must meet the following requirements:

- Permanent resident of the United States;
- Minimum of a 3.5 grade point average (GPA);
- Score a minimum of 502 on the Medical College Admission Test (MCAT);
- Courses are strongly encouraged to be taken at OSU except those earned as concurrent enrollment during high school and received AP credit;
- Plan to complete a baccalaureate degree before matriculation at OSU-CHS College of Osteopathic Medicine;
- Submit an American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) application by February 28;
- Submit a supplemental/secondary application by March 30;
- Submit one letter of recommendation from the OSU Pre-Health Advisory Committee (PAC) preferred. If candidate does not meet the deadline to schedule an interview with the Pre-Health Committee (PAC), two letters can be submitted from faculty that taught the class or lab where academic credit was earned;
- The OSU Pre-Health Advisory Committee (PAC) experience requires a full application to be submitted by December 10, 2021 of their junior year and the OSU PAC interview will take place early in the spring semester;
- Visit the OSU Pre-Professional Academic Support Services website for full details and additional information;
- Applicants must have at least 500 hours in a health-related setting at the time of application;
- Meet the academic requirements specified in Exhibit A: Academic Requirements;
- First time applicant to apply to the Guaranteed Interview Program; and
- The applicant must have a valid CASPer Situational Judgement test score on file before an admission decision is released.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their secondary/supplemental application to indicate that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-COM to students from Oklahoma State University who meet the listed requirements. This Agreement does not guarantee qualifying students from OSU admission to the OSU-COM. Following an in-person interview, the Chair of the Admissions Committee will notify applicants of the Admissions Committee's decision by May 15, 2022.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply for admission as a traditional applicant in a later application cycle. Applicants may apply as a GI applicant during their final year at OSU or within six months following graduation.
by reference. Applicants may only qualify for the GI Program for *one* application cycle.
