

Guaranteed Interview Program
MEMORANDUM OF UNDERSTANDING
OSU Center for Health Sciences –
College of Osteopathic Medicine

To be eligible for the GI Program, applicants must meet the following requirements:

- Be a permanent resident of the United States;
- Achieve a minimum of a 3.5 cumulative Grade Point Average (GPA);
- Score a minimum of 502 on the Medical College Admission Test (MCAT) at the time of application;
- Complete the courses and academic requirements in Exhibit A. Concurrent enrollment in high school or AP credits will be accepted;
- Plan to complete a baccalaureate degree before matriculation at OSU-CHS College of Osteopathic Medicine;
- Complete paperwork and participate in an interview with the Pre-Health Advisory Committee (PAC);
- Submit an American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) application by February 28;
- Submit a complete supplemental/secondary application for admission by March 30;
- Complete at least 500 hours in a health-related setting at the time of application;
- Provide a completed Educational Records Release Authorization Form to the UCO Office of Student Conduct (OSC) by the end of the spring semester of their senior year. To maintain continued acceptance, the results from the UCO OSC form must reflect that the student has not been found “responsible” for any University policy violations. If the student is found of any policy violations, it may be reviewed further; and
- Be a first-time applicant to apply to the Guaranteed Interview Program.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their secondary/supplemental application to indicate that they are applying for the GI Program, and that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-CHS College of Osteopathic Medicine

to students from the UCO who meet the listed requirements. This Agreement does not guarantee qualifying students from UCO admission to the OSU-CHS College of Osteopathic Medicine. Following an in-person interview, a member of the Admissions Committee and the Director of Admissions will notify applicants of their decision the May following the applicant's interview.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply as a traditional applicant for admission in a later application cycle. Applicants may apply during their final year at UCO or within six months following graduation. Applicants may only qualify for the GI Program for one application cycle. OSU-CHS may revoke admissions to the GI Program to any student with student conduct, Title IX, or similar violations.
