

3+1 Program
MEMORANDUM OF UNDERSTANDING
OSU Center for Health Sciences –
College of Osteopathic Medicine

To be eligible for the 3+1 Program, applicants must meet the following requirements:

- Be a full-time student enrolled at Southeastern Oklahoma State University;
- Major in Interdisciplinary Medical Science (Biology or Chemistry);
- Achieve a minimum of a 3.5 cumulative Grade Point Average (GPA) and a 3.5 science GPA at the time of application to OSU-CHS;
- Meet the academic requirements specified in Exhibit A;
- Science GPA will be calculated according to the course subject categories defined by the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS);
- Complete 45 or more credit hours toward a bachelor's degree at the time of application to OSU-CHS;
- Complete at least 50 hours in a health-related setting at the time of application;
- Must be recommended by the SEOSU Pre-Professional Advisory Committee for participation in this joint program;
- Submit one letter of recommendation from the SEOSU Pre-Professional Advisory Committee (PAC);
- Submit a complete application for admission through the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS) by February 28 of sophomore year;
- Submit a complete secondary/supplemental application for admission by March 30 of sophomore year;
- Participate in an interview with the OSU-CHS Admissions Committee during the spring semester of sophomore year; and
- Submit a letter from their SEOSU Advisor that attests the student is on track to meet the degree requirements when applying.

Students must meet with their Academic Advisor annually at SEOSU to review the course sequence for the approved major to ensure all academic requirements for their undergraduate degree and the 3+1 Program are met before matriculating to OSU-CHS.

Students who meet these requirements will be eligible for the 3+1 Program. Students must check the appropriate box on their secondary/supplemental application to indicate they are applying through the 3+1 Program and that they have met the 3+1 Program requirements. Following an in-person interview, a member of the Admissions Committee and the Director of Admissions at OSU-CHS will notify applicants of the Admission Committee's decision by the May following the applicant's interview. The applicant will either be granted provisional acceptance into the 3+1 Program or be invited to apply for admission as a traditional applicant in a later application cycle. OSU-CHS is not required to admit any certain number of 3+1 Program applicants.

Students who are provisionally accepted into the 3+1 Program must fulfill the following requirements to maintain their acceptance:

- Complete all remaining undergraduate coursework required for the approved 3+1 degree plan during their junior year at SEOSU;
- Maintain an overall GPA of at least 3.5 and a science GPA of at least 3.5. GPA will be calculated at the time of application and upon completion of the applicant's undergraduate degree coursework before the student matriculates to OSU-CHS;
- Submit a qualifying score of at least 492 on the Medical College Admission Test (MCAT) by April 1 of their junior year;
- In May of junior year, submit transcripts and letter of good standing from SEOSU to OSU-CHS indicating that the student has met all academic requirements for the 3+1-degree plan as specified by the applicable SEOSU undergraduate catalog and Exhibit A;
- Submit a letter of good standing from SEOSU indicating the student has met all the academic requirements outlined in Exhibit A; and
- OSU-CHS may revoke admissions to the 3+1 Program to any student with student conduct, Title IX, or similar violations.

After completing the first year of medical school at OSU-CHS and before enrolling in courses for the second year of medical school, 3+1 Program students must:

- Apply for graduation to SEOSU by April 1 to be included in the spring commencement ceremony. Students will not officially graduate in May until the degree is conferred in the summer, but they can participate in the ceremony.
- While a student at OSU-CHS, the 3+1 Program students are subject to OSU-CHS policies and procedures.
