3+1 Program

MEMORANDUM OF UNDERSTANDING

OSU Center for Health Sciences – College of Osteopathic Medicine

To be eligible for the 3+1 Program, applicants must meet the following requirements:

- Major in Interdisciplinary Medical Science (Biology or Chemistry);
- Achieve at least a cumulative grade point average (GPA) of 3.5 and science GPA of 3.5 at the time of application to OSU-CHS;
- Meet the academic requirements specified in Exhibit A. Courses earned as concurrent enrollment or received AP credit will be accepted;
- Science GPA will be calculated according to the course subject categories defined by American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS);
- A transfer student from a community college or a four-year institution may transfer no more than 30 credit hours to SEOSU. At the time of enrollment, the following requirements should be considered to ensure the degree requirements are met:
 - Complete a minimum of 30 weeks and 30 semester hours of formal course work in residence at SEOSU.
 - Complete at least 15 of the final 30 semester hours applied toward degree requirements or at least fifty percent of the semester hours required in the major field in resident at SEOSU.
 - Complete at least two courses in each major field and one course in each minor field which are used to meet degree requirements in residence at SEOSU; and
 - Non-education programs complete one-half of the total credits for graduation at approved institution.
- Completed 45 or more credit hours toward a bachelor's degree at the time of application to OSU-CHS;
- Completed at least 50 hours in a health-related setting at the time of application;
- Must be a SEOSU student that is recommended by the SEOSU Pre-Professional Advisory Committee for participation in this joint program;
- Submit a complete application for admission through the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS) by February 28 of sophomore year;

- Submit a complete secondary/supplemental application for admission by March 30 of sophomore year;
- Submit one letter of recommendation from the SEOSU Pre-Professional Advisory Committee (PAC);
- Participate in a personal interview with the OSU-CHS Admissions Committee during the spring semester of sophomore year; and
- Must have valid CASPer Situational Judgement test score on file by April 2022.

Students must meet with their Academic Advisor annually to review the course sequence for the approved major to ensure all academic requirements for their undergraduate degree and the 3+1 Program are met before matriculating to OSU-COM.

Students who meet these requirements will be eligible for the 3+1 Program. Students must check the appropriate box on their secondary/supplemental application to indicate they have met the 3+1 Program requirements. The Chair of the Admissions Committee will notify applicants of its decision by May 15, 2022 following an in-person interview. The applicant will either be granted provisional early acceptance into the 3+1 Program or be invited to apply for admission as a traditional applicant in a later application cycle.

Students who are provisionally accepted into the 3+1 Program must fulfill the following requirements to maintain their acceptance:

- Maintain an overall grade point average (GPA) of at least 3.5 and a science GPA of at least a 3.5. GPA will be calculated at the time of application and before matriculation to OSU-CHS;
- Submit a qualifying score of at least a 492 on the Medical College Admission Test (MCAT) by April of their junior year;
- Complete all remaining undergraduate coursework required for the approved 3+1 degree plan during their junior year at SEOSU;
- Request in May of junior year transcripts from SEOSU indicating that the student has met all academic requirements for the 3+1-degree plan as specified by the applicable Southeastern Oklahoma State University undergraduate catalog;
- By May of junior year, student must provide documentation stating any student violations; and
- OSU-COM may revoke admissions to the 3+1 Program to any student with student violations or conduct issues.

After completing the first year of medical school at OSU-COM and prior to enrolling in courses for the second year of medical school, 3+1 Program students must:

- Apply for graduation to SEOSU by April 1 to be included in the spring commencement ceremony as a summer graduate. Students will not officially graduate in May until degree is conferred in the summer, but they can participate in commencement.
