

**Guaranteed Interview Program  
MEMORANDUM OF UNDERSTANDING  
OSU Center for Health Sciences  
College of Osteopathic Medicine**

This Memorandum of Understanding (“Agreement”) establishes a Guaranteed Interview (“GI”) Program between Oklahoma State University – Center for Health Sciences (OSU-CHS), College of Osteopathic Medicine and Cameron University (CU) dated July 1, 2019.

The Guaranteed Interview Program guarantees Cameron University students who meet specified criteria in this Agreement that they will be invited for an interview with the Admissions Committee to the OSU-CHS College of Osteopathic Medicine. OSU-CHS will interview and assess the GI Program applicants on their personal characteristics, academic preparedness, commitment to rural and underserved populations, and other factors based on the same standards as traditional applicants.

To qualify for the GI Program, a student must meet the following requirements:

1. Be a permanent resident of the United States;
2. Minimum of a 3.5 grade point average (GPA) and 3.5 GPA in all science coursework;
3. A minimum of 498 on the Medical College Admission Test (MCAT);
4. Provide three letters of recommendation from faculty (preferably two science and one non-science faculty) and one letter from a physician (D.O. preferred);
5. Complete a Baccalaureate degree before matriculation to OSU-CHS College of Osteopathic Medicine;
6. Submit a complete application for admission through the American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) by February 28;
7. Submit a complete supplemental/secondary application for admission by March 30;
8. Meet the academic requirements specified in Exhibit A: Academic Requirements; and
9. Be a first time applicant to the Guaranteed Interview Program.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their supplemental/secondary application to indicate that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-COM to students who meet the listed requirements. This Agreement does not guarantee qualifying students from CU admission to OSU-COM. Following an in-person interview, the Chair of the Admissions Committee or Director of Admissions will notify applicants of the Admissions Committee's decision by May 1.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply for admission during the following application cycle as a traditional (i.e., non-GI Program) applicant.

OSU-COM reserves the right to periodically review the Agreement and recommend changes as deemed necessary. In the event OSU-COM makes recommendations for change(s), CU will have thirty (30) days to accept or reject the proposed changes. Agreements will be reviewed annually for any updates to the academic requirements for approval. Agreed-upon changes to the Agreement will become effective for the upcoming undergraduate class for the following academic year.

For any current application cycle, Cameron University may make adjustments in the academic plans on a case-by-case basis with the mutual agreement of both parties, to include the Assistant Dean for Enrollment Management at OSU-COM and the Chair of the Department of Agriculture, Biology and Health Sciences at Cameron.

Both parties have the right to terminate the Agreement at any time with (30) days' notice. Applicants may only qualify for the GI Program for one application cycle. Applicants may apply as a GI applicant during their final year at CU or within six months following graduation.

### **Exhibit A: Academic Requirements**

To qualify for the Guaranteed Interview Program, Oklahoma State University – Center for Health Sciences (OSU-CHS) and Cameron University agree that applicants must complete the following academic requirements.

Complete the following prerequisite courses (lecture and lab co-requisites) at Cameron University. Courses will be accepted if earned as concurrent enrollment during high school or as AP credits.

- ENGL 1113 English Composition I
- ENGL 1213 English Composition II
- BIOL 1364 Principles of Biology I (with BIOL 1364L lab)
- BIOL 1474 Principles of Biology II (with BIOL 1474L lab)
- BIOL 2124 Microbiology (with BIOL 2124L lab)
- BIOL 2034 Human Anatomy (with BIOL 2034L lab)
- CHEM 1364 General Chemistry I
- CHEM 1361 General Chemistry I Lab
- CHEM 1474 General Chemistry II
- CHEM 1471 General Chemistry II Lab
- CHEM 3314 Organic Chemistry I (with CHEM 3314L lab)
- CHEM 3324 Organic Chemistry II (with CHEM 3324L lab)
- CHEM 4403 Biochemistry I
- PHYS 1115 Physics I (with PHYS 1115L lab) or PHYS 2015 Physics I for Science and Engineering Majors (with PHYS 2015L lab)
- PHYS 1215 Physics II (with PHYS 1215L lab) or PHYS 2025 Physics II for Science and Engineering Majors (with PHYS 2025L lab)

By the time of graduation, the student must meet all academic requirements for the undergraduate degree as specified by the applicable Cameron University undergraduate catalog.
