MEMORANDUM OF UNDERSTANDING

**OSU Center for Health Sciences –
College of Osteopathic Medicine**

To be eligible for the GI Program, applicants must meet the following requirements:

- Be a permanent resident of the United States;
- Fulfill the minimum required undergraduate coursework at the time of entry, including:
 - English Two Semesters
 - Biology with lab Two Semesters
 - Physics Two Semesters
 - General Chemistry Two Semesters
 - Organic Chemistry Two Semesters
 - Satisfactory completion of at least one upper-division (3000-4000) level science course (3-5 courses strongly preferred) with no grade below a “C” (2.0 on a 4.0 scale).
- Achieve a minimum of a 3.5 cumulative Grade Point Average (GPA);
- Score at least 502 on the Medical College Admission Test (MCAT) at the time of application;

- Plan to complete a baccalaureate degree before matriculation at OSU-CHS College of Osteopathic Medicine;
- Submit a complete application for admission through the American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) by February 28;
- Submit a complete supplemental/secondary application for admission by March 30;
- Applicants must have at least 500 hours of health-related setting at the time of application; and
- Be a first-time applicant to apply to the Guaranteed Interview Program.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their supplemental/secondary application to indicate that they

are applying through the GI Program and they have met the GI Program requirements. This MOU guarantees an interview for admission to OSU-CHS College of Osteopathic Medicine to students from NSU who meet the listed requirements. This Agreement does not guarantee qualifying students from NSU admission to OSU-CHS College of Osteopathic Medicine. Following an in-person interview, a member of the Admissions Committee and the Director of Admissions will notify applicants of the Admissions Committee's decision the May following the applicant's interview.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply for admission during the following application cycle as a traditional applicant in a later application cycle. Applicants may apply during their final year at NSU or within six months following graduation. Applicants may only qualify for the GI Program for one application cycle.
