

Guaranteed Interview Program

OSU Center for Health Sciences – College of Osteopathic Medicine

To qualify for the GI Program, a student must meet the following requirements:

1. Be a permanent resident of the United States;
2. Have maintained an overall 3.5 grade point average (GPA);
3. Score at least a 500 on the Medical College Admission Test (MCAT);
4. Plan to complete a Baccalaureate degree before matriculation at OSU-CHS College of Osteopathic Medicine;
5. Submit an American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) application by February 28;
6. Submit a supplemental/secondary application by March 30;
7. First time applicant to apply to the Guaranteed Interview Program;
8. Courses are strongly encouraged to be taken at Oklahoma City University, except those earned as concurrent enrollment during high school and AP credits.
9. Meet the academic requirements specified in *Exhibit A: Academic Requirements*.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their secondary/supplemental application to indicate that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-COM to students from Oklahoma City University who meet the listed requirements. This Agreement does not guarantee qualifying students from Oklahoma City University admission to OSU-COM. Following an in-person interview, the Chair of the Admissions Committee or Director of Admissions will notify applicants of the Admissions Committee's decision.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply as a traditional applicant for

admission in a later application cycle. Applicants may apply as a GI applicant during their final year at OCU or within six months following graduation.

Exhibit A: Academic Requirements

To qualify for the Guaranteed Interview Program, Oklahoma State University Center for Health Sciences (OSU-CHS) and Oklahoma City University (OCU) agree that applicants must complete the following academic requirements in addition to the required pre-requisite coursework prior to matriculation to OSU-COM:

The following courses are strongly encouraged to be taken at OCU except those earned as concurrent enrollment during high school or AP credits.

- BIO 1214 Fundamentals of Biology with lab
- CHEM 1104/1141 General Chemistry I with lab
- CHEM 1204/1241 General Chemistry II with lab
- CHEM 3103/3141 Organic Chemistry I with lab
- CHEM 3203 /3241 Organic Chemistry II with lab
- PHYS 1503/1541 General Physics I with lab (or PHYS 2104/2141)
- PHYS 1603/1641 General Physics II with lab
- BIOL/CHEM 3714 Biochemistry I with lab

One additional upper division Biology course (3-5 preferred):

- BIOL/CHEM 4403 Biochemistry II*
- BIOL 3303 Genetics*
- BIOL 4214 Molecular Biology with lab*
- BIOL 3514 Cell Biology with lab*
- BIOL 3114 General Microbiology with lab*
- BIOL 2852 Medical Vocabulary

*Completion of these courses three courses strongly recommended before attempting to take the MCAT.
