

**Guaranteed Interview Program**  
**MEMORANDUM OF UNDERSTANDING**  
**OSU Center for Health Sciences –**  
**College of Osteopathic Medicine**

To qualify for the GI Program, a student must meet the following requirements:

1. Permanent resident of the United States;
2. Minimum of a 3.5 grade point average (GPA);
3. Score a minimum of 500 on the Medical College Admission Test (MCAT);
4. Complete a Baccalaureate degree before matriculation at OSU-CHS College of Osteopathic Medicine;
5. Submit an American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) application by February 28;
6. Submit a supplemental/secondary application by March 30;
7. Submit two letters of recommendation: One letter from the OSU Pre-Health Advisory Committee (*preferred\**) and one letter from a physician (D.O. preferred);
8. The OSU Pre-Health Advisory Committee (PAC) experience requires a full application to be submitted by the deadline in the fall semester of their junior year and the OSU PAC interview will take place early in the spring semester. The OSU Pre-Professional Academic Support Services website contains full details and additional information;
9. First time applicant to apply to the Guaranteed Interview Program;
10. Courses are strongly encouraged to be taken at OSU except those earned as concurrent enrollment during high school and received AP credit; and
11. Meet the academic requirements specified in *Exhibit A: Academic Requirements*.

*\*If* a student does not meet the timeline to schedule an interview with the Pre-Health Advisory Committee, the student can submit two letters from OSU faculty and letter from a physician (D.O. preferred) for their letters of recommendation.

Students who meet these requirements will be eligible for the GI Program. Students must check the appropriate box on their secondary/supplemental application to indicate that they have met the GI Program requirements. This Agreement guarantees an interview for admission to OSU-COM to students from Oklahoma State University who meet the listed requirements.

This Agreement does not guarantee qualifying students from OSU admission to the OSU-COM. Following an in-person interview, the Chair of the Admissions Committee or Director of Admissions will notify applicants of the Admissions Committee’s decision.

At the end of the application cycle, the OSU-CHS College of Osteopathic Medicine will either accept the applicant for admission or invite the applicant to apply for admission as a traditional applicant in a later application cycle.

Applicants may apply as a GI applicant during their final year at OSU or within six months following graduation.

***Exhibit A: Academic Requirements***

To qualify for the Guaranteed Interview Program, Oklahoma State University Center for Health Sciences (OSU-CHS) and Oklahoma State University (OSU) agree that applicants must complete the following academic requirements.

Courses are *strongly* encouraged to be taken at OSU, however, concurrent enrollment during high school and AP credits will be accepted.
