

# BRAD DAY 2021 (BIOMEDICAL RESEARCH AWARENESS DAY)

## What?

BRAD is an initiative committed to educating others on the importance of biomedical research and the humane use of animals.

## When?

**Thursday, Sep. 16th from 11am-2pm**

## Where?

**Founder's Hall at OSU-CHS**

## Why?

To honor the role of laboratory animals in the quest for new treatments and cures for people and animals, and to highlight careers in biomedical research.
