

Oklahoma State University Center For Health Sciences

Parking Permit Information:

- Parking permits are required for students and Employees when parking on any OSU-CHS affiliated location.
- Vehicle information is to be updated if needed.
- Parking Permit is to be placed on the INSIDE of your vehicle, underneath the rear view mirror/ under PikePass.
- License Plate Number and Owner and Operator of vehicle must be named on application for permit issuance.
- Extra forms are available for changes, updates, or renewals in security office.

Parking Requirements:

- All vehicles must be registered and must have parking permits displayed in the correct location.
- Park in 1 space - NOT CROSSING THE LINES.
- Do not block driveways or access areas.
- Do not park in a hazardous manner

Speed Limit and Warnings:

- The speed limit in the Parking Lots is 10 MPH.
- The speed limit in the Parking Garage is 5 MPH.
- This is for everyone's safety. If you are caught speeding, or there is a parking violation, you will be issued a warning. After 3 warnings, your name will be submitted to the Code of Conduct board or manager.

**** OSU-CHS Permits do NOT allow you to park in handicap or reserved parking. Parking in those areas will result in your vehicle being Cited and/or towed.**
