

Osteopathic Recognition Eligibility Criteria for Non-D.O. Applicants

I. 20 Business Days Prior to the Match Rank Opening Date, the Applicant Must Have Ready for Submission:

- 60 hours of OSU-COM's years one and two to include *OMM I, II, III, and IV. A Teaching Guide for Osteopathic Manipulative Medicine* or lectures may be used to direct the lab portion. Certificate of completion will be provided. OMM education from outside institutions will not be accepted.
- Verification that the candidate completed the CORRE examination with a minimum passing score that is determined annually by the Oklahoma State University Center for Health Sciences Graduate Medical Education Committee (GMEC) utilizing the Domain Performance Index as defined by the National Board of Osteopathic Medical Examiners.
- Letter of recommendation from a D.O. with an active practice to be included with residency application. (letter must indicate that applicant understands osteopathic philosophy)

II. During Residency and Fellowship*

- Complete 60 hours of OPP Continuing Medical Education, approved by the OSU-CHS/OMECO, achieved through any of the following: CME courses, didactics, elective rotations, etc. focusing on clinical application.
- Successfully pass an OMM basic skills competency practical examination, administered by OSU-CHS faculty, prior to PGY-2.
- Satisfactorily progress through the Osteopathic Recognition Milestones during residency.

* Exceptions during one or two-year fellowships must be requested through the GME Office and requested at the time of application to the program.
