FAX COVER SHEET

CONFIDENTIAL HEALTH INFORMATION ENCLOSED

Health care information is personal and sensitive. It is being faxed to you after appropriate authorization from the patient or under circumstances that do not require patient authorization. Oklahoma law requires that we advise you that this facsimile may include information which may be considered a communicable or venereal disease, including, but not limited to, hepatitis, syphilis, gonorrhea, human immunodeficiency virus and Acquired Immune Deficiency Syndrome (AIDS). It may also include mental health or other sensitive information. You, the recipient, are obligated to maintain this information in a safe, secure, and confidential manner. Re-disclosure without additional patient consent or authorization or as permitted by law is prohibited. Unauthorized re-disclosure or failure to maintain the confidentiality of this information could subject you to penalties under Federal and/or State law.
