

Oklahoma State University

Title: Applicability	Policy #: SEC-00.01
Category: HIPAA Compliance	Authority: 45 CFR § HIPAA SECTION: 164.104
Standard: General Provisions	Responsibility: Health Care Components
Effective Date: 4/20/2005	Page 1 of 1
Approved By: OSU Legal Counsel	Revised: 7/1/2013

PURPOSE:

To document how and what OSU needs to be compliant with in regards to HIPAA Security.

POLICY:

Except as otherwise provided, the standards, requirements, and implementation specifications adopted under the HIPAA Security Rule apply to:

- A health plan
- A health care clearinghouse
- A health care provider who transmits any health information in electronic form in connection with a transaction covered by the HIPAA Security Rule.

§164.104(a)

When a health care clearinghouse creates or receives PHI as a business associate of another covered entity, or other than as a business associate of a covered entity, the clearinghouse must comply with 45 CFR §164.105 relating to organizational requirements for covered entities, including the designation of health care components of a covered entity. *§164.104(b)*

PROCEDURE:

Since OSU does operate as a health care clearinghouse and a health care provider, both of which are covered entities under HIPAA, OSU will address each component and meet all requirements thereof.
