

## Protocol Title:

### Appendix J – Conflict of Interest

Do you or an immediate family member (spouse/domestic partner/dependent children) hold an equity or interest in, receive personal compensation from, or have a business relationship (e.g., hold a position such as officer, director, partner, trustee, board member, scientific advisory board member, etc.) with an entity (e.g., the sponsor, provider or manufacturer of the product being investigated or equipment/services being offered, or the holder of any ownership interest in a product being investigated) related to the research outlined in this proposal?

- ☐ No  
☐ Yes

Do you or an immediate family member have a proprietary interest (including trademark, patent, copyright, licensing agreement or other intellectual property) associated with the research outlined in this proposal (e.g., the drug or device)?

- ☐ No  
☐ Yes

If you answered yes to either of the questions outlined above, please complete the conflict of interest reporting form (in accordance with the Conflict of Interest Institutional Policy 4-0130) which can be found at [http://compliance.vpr.okstate.edu/documents/Conflict\\_of\\_Interest.pdf](http://compliance.vpr.okstate.edu/documents/Conflict_of_Interest.pdf).

*Please note that final IACUC approval will not be granted until the IACUC receives a completed conflict of interest form. In addition, if during the course of the study should you acquire a financial interest or enter into a business relationship (as outlined above) which has not been previously disclosed to the IACUC, it is your responsibility to notify the IACUC via an amendment. As the person primarily responsible for this project, you must ensure that others engaged in this project declare any potential conflicts of interest or commitment related to this project and that they report these appropriately.*
